As a proud member of the Wells Fargo Advisors family for 20 years, I'm excited to announce I am now the Market Manager for the firm's Rhode Island Cape Cod Market.

I joined Wells Fargo Advisors in September 1999 as a Registered Client Associate, and I've enjoyed every minute I've spent with the firm. In that time, I've been surrounded by leaders who are focused on fostering the growth of their advisors. Now that I'm in a similar role, I am so pleased to be working closely with the next generation of our advisors and teams.

I hold a Master of Business Administration, as well as the AAMS® and CMFC® designations, and I believe this diligent focus on career growth has played a hand in the success of those I lead. For example, the Rhode Island Complex (which I managed at the time), was named Hub of the Year* in 2018. This recognition is reserved for Complex operations teams that consistently demonstrate superior performance, provide excellent service to the branches they support, and set examples among their peers.

Superior performance and excellent service are what I strive for every day, and they are core tenets of my professional philosophy. As I keep on this path, I look forward to what comes next.

Give me a call today to discuss how I may be able to help you grow your practice and make the most of your future.

Ann P. McCarthy Hackney, MBA, AAMS®, CMFC®
